September 2008

The Clawson Chamber of Commerce will be hosting its Annual "Taste of the Towns" event on Sunday, October 12 during the city's Fall Festival. You are invited to participate with us and take this opportunity to promote your business to hundreds of community members. In 2007 we had 800 people buy tickets, and this year we expect even more.

The format will be similar to last year's event. Local restaurants and food service businesses will bring samples of their specialty fare for the community to enjoy. Money raised from the ticket sales will be used to defray the event costs to the Chamber.

There is no registration cost to the restaurants. The Chamber will provide tables, advertising and other services to support the restaurants at this event. The restaurants will provide food that has been prepared at their facilities and ready to serve by one of their staff. Restaurants have typically brought enough samples to serve 200+ people.

The participating restaurants are encouraged to bring signs, menus, and coupons to further promote their businesses. The chamber will display a poster with the names of the participating restaurants on the day of the event. The restaurants will also be noted in the event program, on the Chamber web site, e-blasts to the Chamber membership, and recognized in the Chamber's quarterly newsletter.

Please contact the Chamber as soon as you can to secure your spot at the Taste of Clawson. Then we will send you additional details about the event logistics.

We look forward to seeing you there!
